For the year 2010
Nagoya City ranks among the top 10 economies worldwide, boasting leading industries in automotive manufacturing, machinery, electronics and ceramics.

The Chubu area of Japan is particularly renowned as the home of Oda Nobunaga, Toyotomi Hideyoshi and Tokugawa Ieyasu, three leaders who unified Japan over 400 years ago, bringing an end to the “Period of Warring States.”

Nagoya Castle, originally built by Tokugawa Ieyasu and famous for the golden dolphins found on its donjon, serves as the landmark of the region.
