

To All Students of Nagoya University (Health Checkup)

Because of the spread of novel coronavirus disease (COVID-19), the schedule and procedure of “student periodical health checkup 2020” has changed. We ask for your understanding and cooperation.

- Every student must finish “Web Checkup” (questionnaires) beforehand. The time for “Web Checkup” application has closed. For students who missed “Web Checkup”, the time for application will be re-arranged after June.
- “Mass examination” at Health Administration Office has been postponed. The schedule is undecided at the moment. (If you do not complete “Web Checkup”, you cannot undergo “Mass examination”.)
- Details will be announced at June 1st in the website of Health Administration Office (<http://www.htc.nagoya-u.ac.jp/hokenkanri/>).
