

Full Professor at Department of Electronics, Nagoya University

1. Number of Positions: One professor
2. Affiliation: Department of Electronics, Graduate School of Engineering, Nagoya University. The professor will also be in charge of education at Department of Electrical Engineering, Electronics, and Information Engineering, School of Engineering.
3. Research Field: Integrated Functional Devices (Semiconductor integrated circuits. Design of integrated circuits including sensing devices or memory devices. Their applications to Internet-of-things (IoT), neuromorphic system, bioelectronics and medical electronics.)
4. Qualifications: Holder of a Ph. D degree, ability of teaching undergraduate- and graduate-level students, and willingness to participate in administration of our division.
5. Subject of Teaching: Electron devices, sensing devices and integrated circuits.
6. Expected Starting Date: Earliest possible date
7. Application Documents: Send a set of the following items by mail to the address below with a note “Application to full professor position in Department of Electronics” written in red on the front of the envelope.
 - (1) Curriculum vitae with face photograph
 - (2) List of publications
 - (3) Reprints of three representative publications
 - (4) Summary of research achievements (about two pages)
 - (5) Research plan and essay on applicant’s policy on education (about one page)
 - (6) Name, affiliation, and e-mail address of two contact references
 - (7) Other items the applicant considers useful for selection (number of citations, awards, grants, education experiences, social activities, etc.)
 - (8) USB memory stick with a set of above information included as a pdf file.
8. Deadline: June 29, 2018 (Deadline for receipt)
9. Selection Process: After document screening, we will have an individual interview. Selection result will be informed when a final candidate is decided.
10. Mailing Address: Prof. Jun Suda,
Department of Electronics, Nagoya University
Furo-cho, Chikusa-ku, Nagoya 464-8603, Japan
- ※N.B. Send the letter in registered mail. Write “Application form for Assistant Professor Position at Department of Electrical Engineering and Computer Science, Nagoya University” in red on the envelop. Also, write a reference number DE20180629. Both application form and USB memory stick will not be returned to you.
11. Contact: Prof. Jun Suda,
Phone: +81-52-789-4642, FAX: +81-52-789-4642 E-mail: suda (at) nuee.nagoya-u.ac.jp
12. Remarks: Nagoya University commits to gender equality.
