Social insurance: Mutual Aid Association (health insurance), welfare pension, employment insurance and workers' compensation insurance
6. Eligibility
A researcher holding a Ph. D. degree, who enthusiastically pioneers new research areas
Ability to give lectures on organic chemistry
7. Starting date
As soon as possible
8. Application documents written in English
Resume (attach photograph)
List of achievements (including invited lectures and research grants)
Main article reprints (maximum of 10 papers)
Research summary (2 pages on A4)
Future research and education plan (1-2 pages on A4)
Name and contact address of two referees
9. Submission of application documents
Combine the above application documents into one PDF file and send as an attachment to the following address. Enter "Chemistry Associate Professor

Application (Name)" as the subject/title. After submission, confirm the reply mail of receipt.

Address to submit document: jinji-chem2@chem.nagoya-u.ac.jp

If electronic submission is difficult, send the documentation via postal mail to the address below. In this case, specify "Chemistry Associate Professor Application Documents" on the envelope and send by simple registered mail.

10. Deadline for submission

April 13, 2018

11. Selection method

Interview after document review

12. Submission of applications

Professor Hiroshi Abe

Department of Chemistry, Graduate School of Science,
Nagoya University

Furo, Chikusa, Nagoya 464-8602, Japan

Tel: +81-(0)52-789-2490

Email: jinji-chem2@chem.nagoya-u.ac.jp

13. Application inquiries

Prof. Kenichiro Itami

Organic Chemistry Laboratory, Department of Chemistry, Graduate School of
Science, Nagoya University

Furo, Chikusa, Nagoya 464-8602, Japan

Tel: +81-(0)52-788-6098

E-mail: itami@chem.nagoya-u.ac.jp

14. Other notes

Applicant should be responsible for all travel expenses incurred for the interview.

Submitted application materials will not be returned to the applicant.

All personal information is handled in strict confidentiality and is not utilized for any other purpose or disclosed to any third party.

Nagoya University proactively promotes gender equality.
