

Graduate School of Science, Nagoya University, Nagoya, Japan

<https://www.sci.nagoya-u.ac.jp/en/index.html>

Graduate School of Science, Nagoya University seeks to fill a full-time, tenure-track, Associate Professor position. The successful candidate will belong to the theoretical astrophysics group (Ta-Lab) and engage in research on the theoretical astrophysics.

Minimum Qualifications

- 1) Doctoral degree in Physics
- 2) Excellent research experiences on the relevant fields

Term

The contract will be starting on the earliest possible date after April 1, 2023.

Period of Appointment

Until the retirement age of 65

Salary

Commensurate with qualifications and experience, based upon institutional policy

Application Requirements

- A) Full curriculum vitae—please include country of citizenship
- B) A summary of past research
- C) List of achievement (categorized into publications in refereed journals, presentations in international and domestic conferences, publications in conference proceedings, and so on)
- D) PDF files of (at most) five major articles
- E) A research plan, and a teaching statement.
- F) The names of two scientists for reference. Their positions, e-mail addresses, and their relation to the applicant should be written.

Application documents can be either in English or Japanese. Combine the above items except for D) in a pdf file and send it with item D) by e-mail to the following:

Professor Hiroshi Kohno, Chairperson of Department of Physics, Graduate School of Science, Nagoya University, e-mail: application-Ta@phys.nagoya-u.ac.jp

The subject of the e-mail should be “Application to Ta-Lab: applicant’s name”. The applicants should receive the acknowledgement within three days. If not, please make a contact.

Contact

Shu-ichiro Inutsuka (inutsuka@nagoya-u.jp), Professor of Physics (in English or Japanese Language)

Application deadline

June 30 (Thursday), 2022

Other notes

- Nagoya University promotes gender equality in employment. We actively encourage female and non-Japanese applicants. Please refer to https://en.nagoya-u.ac.jp/about_nu/declaration/positive/
- Divisions in the Graduate School of Science were reorganized on April 1, 2022.
