

Position Opening Announcement

1	Position	Professor	
2	Department	Department of Physics, Graduate School of Science, Nagoya University	
3	Job description, etc.	<p>[Job description (research, teaching, etc.)] A successful candidate is expected to carry out:</p> <ul style="list-style-type: none"> • Experimental research in condensed matter physics • Research supervision for master's thesis and Ph.D. dissertations • Education on physics at undergraduate and graduate schools <p>[Location] Furo-cho, Chikusa-ku, Nagoya, Japan</p> <p>[The number of positions] One vacancy</p> <p>[The start date at the post] 1st October 2023 or later, as soon as possible after the decision is made.</p>	
4	Area of research	Area	Physics
		Discipline	Condensed matter physics
5	Job type	Full time, Tenured position	
6	Qualifications	<ul style="list-style-type: none"> • An applicant must have doctoral degree and outstanding research achievements. • An applicant is an up-and-coming researcher who can explore new frontiers in the field of low-temperature physics in a broad sense, have a clear vision for the next 20 years, and are willing to lead the field. • An applicant is enthusiastic about graduate and undergraduate education and able to manage a university organization in a cooperative manner. 	
7	Compensation	<p>[Salary, working hours, holiday, insurance, etc.]</p> <ul style="list-style-type: none"> • Labor regulations and benefits will be determined as per the rules of Tokai National Higher Education and Research System. https://education.joureikun.jp/thers_ac/act/frame/frame110010928.htm (In Japanese) • Salary will be determined by the University on an annual salary basis. 	
8	Application deadline	31 January 2023, 17:00 JST.	
9	Application, selection, and results notification	<ol style="list-style-type: none"> (1) Curriculum vitae (with photograph) (2) List of research achievements (categorized into refereed papers, proceedings of international conferences, reviews and commentaries, books, invited talks, patents, and awards. Indicate five key publications.) The total number of citations and h-index by Google Scholar and Web of Science, the researcher's URL in Google Scholar, and Web of Science Researcher ID should be indicated. (3) Reprints of key papers (not more than 5) (4) Summary of your research to date (about 1,100 words) (5) Future research plans and vision for the next 20 years (about 1,100 words), educational achievements and aspirations for education (about 1,100 words) (6) Record of obtaining competitive funds (categorize as Grant-in-Aid for Scientific Research, Funded Research, or Other Competitive Funds. State the name, title, period of research, whether the researcher was a principal investigator or a subcontractor, and the direct expenses received by the researcher). (7) Past social activities (including positions held in academic societies) (8) Names, affiliations, and contact information for two persons who can inquire about the person in question. <p>Submission Method</p> <ul style="list-style-type: none"> • Please combine the above documents (1)-(8) into a single PDF file and send it as 	

		<p>an attachment to the following e-mail address. The subject line of the e-mail should read "Application for Professor of Condensed Matter Physics". If you do not receive an email confirming receipt within 3 business days, please be sure to contact us. If the file size exceeds 20 MB, please split the file.</p> <ul style="list-style-type: none"> • E-mail address for application: application-cmp@phys.nagoya-u.ac.jp <p>For inquiries, please contact Tomoyasu Taniyama, Department of Physics, Graduate School of Science, Nagoya University E-mail: taniyama.tomo@nagoya-u.jp, Phone: +81-52-789-2886</p> <p>[Selection and notification of results]</p> <ul style="list-style-type: none"> • Primary selection: short-listing through application document review • Secondary selection: interview <p>The selection committee will contact candidates for the secondary selection by phone or e-mail.</p>
10	Notes	<ul style="list-style-type: none"> • Nagoya University is an equal opportunity employer. Applications from female researchers are encouraged. http://en.nagoya-u.ac.jp/about_nu/declaration/positive/index.html • The submitted information will be strictly managed under the privacy policy of Nagoya University for any reason during the selection. • Travel expenses for an interview, if incurred, should be borne by the applicant. • In November 2021, in accordance with the clarification of the scope of control for “deemed experts” under the Foreign Exchange and Foreign Trade Act (“FEFTA”), some provision of sensitive technology to faculty members and students by universities and research institutions has become subject to control under FEFTA. Consistently with this change, when applying for faculty positions or to study at the University, faculty, staff, and students will be required to submit a “Declaration of applicable specific categories” based on the “Flowchart for determining applicable specific categories”. Faculty, staff, and students will also be required to submit a “Letter of confirmation” at the time of their recruitment or admission.

Flowchart for Determining Applicable Categories

Declaration of applicable specific categories

If you are applying to Nagoya University as a faculty member or student, we ask you to declare whether you are subject to “deemed exports” controls under the Foreign Exchange and Foreign Trade Act (“FEFTA”).

Please refer to the attached flowchart for your position, check the appropriate boxes, and submit it together with your application form and documents.

Department _____

Name _____

Category 1 applies Category 2 applies Category 3 applies No categories apply

If you fall into one of the Categories 1 to 3, please provide a reason below and submit the relevant evidence.

Reason for applicability

(e.g., employed by __ institution, receiving funding/scholarship from __, or planning to do so)

(_____)

Evidence

(e.g., proof of employment by a foreign organization (letter of employment/contract), letter of funding from a foreign organization (individual), notice of scholarship award or application form)

(_____)

*Please contact us if you are unsure whether any of the above categories apply.
