

## **Assistant Professor Position (tenure-track)**

Department of Biological Science, Graduate School of Science, Nagoya University

**Open position:** Assistant Professor (tenure-track)

**Area of expertise:** Plant Biology

**Affiliation:** Group of Intercellular Signaling Biology, Department of Biological Science, Graduate School of Science, Nagoya University

**Term of employment:** 5 years (Tenure will be granted after screening in accordance with the Regulations Concerning the Tenure Track System of Nagoya University, Tokai National University Organization. For details, please refer to the following URL.)  
[https://education.joureikun.jp/thers\\_ac/act/frame/frame110001177.htm](https://education.joureikun.jp/thers_ac/act/frame/frame110001177.htm)

**Eligibility:** Applicants must have earned or expect to earn a doctoral degree by the starting date.

**Responsibilities:** In collaboration with the staff members in the Laboratory, the successful candidate is expected to engage in studying plant cell-to-cell signaling and intracellular signaling pathways using various approaches such as biochemistry, molecular biology, and reverse genetics. Specifically, we highly value candidates with experience in operating mass spectrometry instruments and analyzing data. Additionally, we are seeking individuals who have experience and enthusiasm in teaching Japanese students.

**Starting date:** September 1, 2023

**Treatment:** In accordance with the Employment Regulations of the Tokai National Higher Education and Research System.

**Application materials:**

1. Curriculum vitae
2. Publication list (categorized into thesis, review papers and books, with all names of authors)
3. Summary of research achievements (2 pages)
4. Research plan and Some remarks in education (2 pages)
5. Research activity list (invited talks, awards and grants)
6. One recommendation letter

Submit the above materials (1)-(6) as a single PDF file to Prof. Yoshikatsu Matsubayashi by e-mail.

**Application deadline:** June 8, 2023

**Contact:** Prof. Yoshikatsu Matsubayashi (E-mail: [matsu@bio.nagoya-u.ac.jp](mailto:matsu@bio.nagoya-u.ac.jp))

Group of Intercellular Signaling Biology, Department of Biological Science, Graduate School of Science, Nagoya University

**Remarks:** Nagoya University proactively recruits women if the evaluation of candidates in research, teaching, social contributions, personal integrity and so on is deemed equal between men and women. If gender is not indicated on the submitted CV, we will ensure no disadvantages will result from this. <http://www.nagoya-u.ac.jp/about-nu/declaration/positive/>

In November 2021, in accordance with the clarification of the scope of control for “deemed exports” under the Foreign Exchange and Foreign Trade Act (“FEFTA”), some provision of sensitive technology to faculty members and students by universities and research institutions has become subject to control under the FEFTA. Consistently with this change, when applying for faculty positions or to study at the University, faculty, staff, and students will be required to submit a “Declaration of applicable specific categories” based on the “Flowchart for determining applicable specific categories” if you meet the conditions. Faculty, staff, and some students will also be required to submit a “Letter of confirmation” at the time of their recruitment or admission.

### Declaration of applicable specific categories

If you are applying to Nagoya University as a faculty member or student, we ask you to declare whether you are subject to “deemed exports” controls under the Foreign Exchange and Foreign Trade Act (“FEFTA”).

Please refer to the attached flowchart for your position, check the appropriate boxes, and submit it together with your application form and documents.

Department \_\_\_\_\_

Name \_\_\_\_\_

Category 1 applies  Category 2 applies  Category 3 applies  No categories apply

If you fall into one of the Categories 1 to 3, please provide a reason below and submit the relevant evidence.

Reason for applicability

(e.g., employed by \_\_ institution, receiving funding/scholarship from \_\_, or planning to do so)  
( \_\_\_\_\_ )

Evidence

(e.g., proof of employment by a foreign organization (letter of employment/contract), letter of funding from a foreign organization (individual), notice of scholarship award or application form)  
( \_\_\_\_\_ )

\*Please contact us if you are unsure whether any of the above categories apply.
