15. "Deemed Exports" in Security Export Control

In November 2021, with the clarification of the scope of control of "deemed exports" under the Foreign Exchange and Foreign Trade Act ("FEFTA"), a portion of the provision of confidential information must comply with FEFTA. Technology provided by universities and research institutions to

faculty and staff is FEFTA is subject to control. As a result of this change, faculty applications will also be subject to FEFTA controls. In accordance with this change, you will be required to submit an Applicable Specific Category Determination Form according to the Applicable Specific Category Determination Flowchart. Eligible applicants will be notified in advance. In addition, faculty members are required to submit a "Confirmation Form" at the time of employment.
