

To All Students Who Have Experienced a Change in Their Household's Financial Situation
Due to the Effects of the Novel Coronavirus Pandemic

We inform you of our response to those students who have experienced a sudden change in their family financial situation due to the novel coronavirus pandemic and are facing financial problems in continuing their studies.

○Regarding Tuition Payment

A withdrawal will be made from your bank account on the tuition withdrawal day (New Students: July 29, Current Students: April 27).

For payments where a withdrawal could not be made, we will respond flexibly taking into consideration the current situation.

We will respond individually to matters which cannot be completed without receiving tuition, such as graduation/completion determination and student registration.
