

To All Students of Nagoya University (Health Checkup)

Since the cases of infection to the novel coronavirus (COVID-19) are spreading, the schedule of “student periodical health checkup 2020” has been changed. Please understand and cooperate with the following:

- “Web Checkup” (questionnaires) will be performed in April as planned to grasp your health/mental conditions and provide you with opportunities to talk with medical doctors.
 - New face school students: April 2~9
 - Other students: April 9~28
- “Mass examination” at Health Administration Office has been postponed. The schedule and examination items are undecided at the moment and will be announced at April 30 in the website of Health Administration Office (<http://www.htc.nagoya-u.ac.jp/hokenkanri/>). The examination schedule for new face school students will be posted in Liberal Arts and Sciences Main Building.
